SPONSORSHIP OPPORTUNITIES

2022

Help us celebrate the "little heroes" in our community who are battling cancer. With your help, we can assure that no child fights alone!

Founded in 2001, The Littlest Heroes exists to provide emergency financial assistance to children and families in Northeast Ohio battling childhood cancer. We step in as the last resort for families when they are about to have utilities turned off, cars repossessed, and homes foreclosed due to financial constraints arising from treating a child with cancer.

In addition, The Littlest Heroes provides monthly grocery and fuel gift cards, monthly hospital parking vouchers, essential items and gifts for the whole family during the holidays, weekly dinners served to the pediatric cancer units of each of the three major area children's hospitals, and more. With the generous support of supporters like you, we become their safety net when they need it the most.

We would like to thank you in advance for being a part of this effort. Our annual events throughout the year are not only a celebration of our little heroes, but also a remarkable show of compassionate care for each other as a community and to those who make our mission possible. Whether it be our Mardi Gras at the Hofbrauhaus, our 5k at Edgewater Park, our annual Oktoberfest Celebration at FirstEnergy Stadium, or our annual Adopt-a-Family celebration at SouthPark Mall, we know our mission could not be a success without incredible partners like you. Now more than ever, we are excited to have you stand with us on our journey to ensure that No Child Fights Alone.

Thank you!

Jon Kozesky
Executive Director
jkozesky@thelittlestheroes.org

THE NEED

After accidents, cancer is the second leading cause of death in children ages 1 to 14. This means each year, the parents of more than 17,000 children age 0-19 in the U.S. will hear the words "your child has cancer."

When a child is diagnosed, one parent is typically forced to reduce their employment income by 25-50% to care for the sick child. In 35% of cases, one parent experiences a total loss of employment.

In 2020-21, the need for TLH's services increased sharply due to the pandemic and resulting economic hardship on our community.

We experienced a staggering 50% increase in our emergency financial programs, accommodating 400+ individuals.

Our Adopt A Family program provides holiday support including basic household needs, wish list items, and other necessities. Last year, we served 600+ individuals with holiday support.

Our hunger relief programs allow us to send 300+ individuals monthly support for groceries to combat food insecurity. Use of these services increased last year, as we provided nearly \$100,000 worth of groceries in 2021.
